

# THE HKIE GEOTECHNICAL DIVISION 28<sup>TH</sup> ANNUAL SEMINAR

## “Applications of Innovative Technologies in Geotechnical Works”

2 May 2008 (Friday)

Theatre 1, Hong Kong Convention & Exhibition Centre

### Theme and Programme Highlights

The main theme of 28<sup>th</sup> Annual Seminar is “Applications of Innovative Technologies in Geotechnical Works”. The Seminar aims at bringing together experts to impart on innovative technologies, including design and analysis, construction methods and instrumentation that have been recently applied in geotechnical works in Hong Kong as well as in the Mainland, Taiwan and Macau.

### Registration Fee

Registration fee is HK\$700; applications received on or before 31<sup>st</sup> March 2008 will be qualified for an early bird rate of HK\$600. Participants from the Mainland, Taiwan, Macau and Overseas will enjoy a special rate of HK\$300. Full-time students are eligible for a student rate of HK\$200 (student seats are limited to 50). Registration will include a copy of the Proceedings and coffee breaks (lunch not provided). The seminar is designed for one CPD day. Attendance certificate will be provided after the event.

### Registration

Registration can be made by returning the completed registration form and the registration fee by a crossed cheque (made payable to “The HKIE – Geotechnical Division”) to Ms. Betty Tsang, Department of Civil Engineering, The University of Hong Kong, Pokfulam Road, Hong Kong. Letters of confirmation will be sent, together with a receipt of payment and details of the programme one week before the seminar.

### Cancellation Policy

Cancellation will be accepted only in writing with signature via mail or fax, no later than 15<sup>th</sup> April 2008, and only 50% of the registration fee will be refunded. Replacement of seat is allowed.
